**PLEASE NOTE:**

- The EKF PLR fee is payable once every four (4) years, exclusively in the calendar year of EKF PLR expiry. Failure to complete payment within the year of expiry results in a mandatory late payment surcharge in addition to the regular EKF PLR fee. Payment may be made either by bank transfer or in cash at one of the two European Championships held in that calendar year.
- The Kata and Kumite expiry dates indicate the calendar year in which the EKF License Renewal Examination must be undertaken and successfully passed. The License Renewal Examination may be taken at one of the two annual EKF European Championships, either at the Cadet, Junior & U21 European Championship or at the Senior European Championship. Kata and Kumite licenses may expire in different calendar years. Where the expiry years differ, each license shall be renewed exclusively in its respective year of expiry. Timely renewal is the sole responsibility of the referee.
- Each referee must officiate at a minimum of one (1) EKF European Championship per calendar year. Failure to comply results in all EKF licenses no longer being valid. Licenses that are no longer valid may be reinstated only in the immediately following calendar year, exclusively by attending the EKF Referee Course and successfully passing both the full theoretical and practical examinations. If the referee does not attend the EKF Referee Course in the immediately following year, or attends but fails to pass the examinations, all EKF licenses shall be permanently withdrawn. Any future return requires restarting the complete EKF qualification process from the very first level of EKF qualification.
- Each referee may hold only one (1) Sportdata profile and is fully responsible for ensuring that only one profile exists, that it is actively used for all registrations (including Referee Courses and Competitions), and that the registered email address is correct. All licenses and PLR records are maintained exclusively within that single profile. Any change of email address must be processed exclusively through the respective National Federation.
